BENEFIT FROM ABOVE SHEATHING VENTILATION (ASV): DECRA Metal Roofing panels create an airspace between the panel and the roof deck. This reduces heat transfer and helps to reduce and or eliminate ice dams.

PRODUCT COMPARISON

Asphalt roofs are temporary when compared to DECRA.

In an average lifetime, a homeowner will need to replace an asphalt roof at least two-and-a-half times. With DECRA, there's no worrying about costly, unexpected expenses. Plus, DECRA's Lifetime Limited Warranty eliminates the hassle.

PROVEN HISTORY OF SURVIVING HARSH CONDITIONS

DECRA's roofing systems have excelled through some of the harshest weather conditions around the world for over 60 years. DECRA's interlocking panels are strong and non-combustible (Class A fire-rated), and they are covered by a transferable Lifetime Limited Warranty, including peace-of-mind coverage for winds up to 120 mph and hail penetration (Class 4 Impact Resistant).

A DECRA roof is durable, freeze-thaw resistant, and will offer richness and beauty to enhance your home. For style and protection, DECRA is the obvious choice.

“This spring was much hotter than last year, but we used our air conditioning much less. Clearly, our house has stayed cooler with the addition of our DECRA roof.”

— Holly Summers

YOU'LL KNOW WHEN IT'S A DECRA ROOF

What is DECRA's warranty?

The best in the industry. DECRA roofs carry a Lifetime Limited Warranty, covering 120 mph winds, hail penetration for any size hail and manufacturing defects, including excessive granule loss. In addition, material and labor are covered for the first 20 years; after that time, material is covered for the remaining warranty period.

Can I get a discount on my homeowners insurance?

In many states, the Class 4 Impact Resistance rating can earn a discount on homeowners insurance. Ask your local insurance agent for details.

Is a DECRA roofing system more expensive?

A DECRA roof offers more value for your money. You would have to purchase and install two-and-a-half shingle roofs for the cost of one DECRA roof.

Similar to most products you buy – you get what you pay for. A DECRA roof offers more for your money and can last a lifetime.
