The Asphalt Roofing Manufacturers Association (ARMA) has represented the majority of asphalt roofing manufacturers and raw material suppliers in the U.S and Canada for the last 100 years.

What are the benefits of becoming an ARMA associate member?

ACCESS

- To top executives and technical experts at ARMA, and to key leaders and allied groups in the roofing industry.
- To comprehensive, detailed industry product shipment tracking and reporting services quarterly.
- To up-to-date information on industry news, trends, issues, building codes and standards.

ADVOCACY

- Our members have a unified vision and singular, strong voice in the industry.
- By participating on committees, task forces and at meetings for the board of directors to help shape and improve the programs and policies of the organization and industry.
- By being a part of the industry association that supports and promotes the asphalt industry as a whole.

Become part of the largest network of roofing professionals, companies and organizations in North America advocating for the advancement of the asphalt roofing industry.
