

PART 1: WORKING WITH A CONTRACTOR DRIVEN DEVELOPMENT SOFTWARE COMPANY

What is a Holistic Tech Solution?

How does Jobba's API encourage a seamless integration with various software contractors may already use?

PART 2: BENEFITS OF JOINING A CONTRACTOR NETWORK

What are the three main benefits of joining Pegnato's network?

PART 3: BENEFITS OF INTEGRATED SOFTWARE AND NETWORKS

How does the integration between Jobba and Pegnato work?

What characteristics describe a contractor who should join this network?
