

## Preventing Injuries and Saving Lives®

Introducing SAMM mats, Safety Assist Magnetic Mats for walking and working on steel roofing. Our revolutionary new patented mats are made in Michigan using only the highest quality materials.

Whether you are a homeowner or a contractor, SteelGrip SAMM® is a must have for your toolbox

- Lightweight and easy to use
- Provides secure footing
- Hold tools and equipment within reach
- Increases productivity
- Saves time

### Multiple Uses:

- Chimney cleaning
- Debris removal
- Roof repair
- Window washing
- Painting
- Antenna installation/repair

Standing Seam Mats are bi-fold, 21" x 28"  
We recommend this style for:

- Standing or Hidden Seam roofing

Pole Barn Mats are tri-fold, 21" x 25 5/8"  
We recommend this style for:

- Imperial Rib style roofing

- SteelGrip SAMM® should be used in conjunction with other OSHA recommended safety equipment
- SAMM mats are not stand alone aids

- Always use lanyards and harnesses where required.

Always use Common Sense

Bryan Lancour, Lancour Building, Marquette, MI uses SAMM because he says, "Time is Money"

Lewis Paxton, Roof Pirates, Reeves, LA says, "I actually bought like 8 of them, my installers love me"

Lance Miller, Chain O' Lakes Property Services, Elk Rapids, MI "Any trade that's got to get up on a roof, it's the only way to go"
