

PART 1: ROOF RESTORATION OPTIONS

What are the four R's of restoration?

PART 2: UTILIZING A ROOF EVALUATION TO CHOOSE THE BEST ROOFING OPTION

What are Johnny Walker's steps for a roof evaluation?

Why is it important to evaluate a roof thoroughly before going through with a restoration?

PART 3: COMMON RESTORATION PRACTICES

Why should you place a reflective white coating over the entire roof and not just a repair?

What are some restoration practices you find especially important?
