

CERAM-A-STAR® SELECT FROST

Industry leading product performance and a soft look finish combined with immediate product availability

CERAM-A-STAR SELECT, Now available in the exceptionally durable FROST

Success with Select...

For Regional Rollformers

The Select Program “Empowers us to keep projects moving forward, minimize color complexity, decrease inventory levels while also improving service to our customers.”

– Regional Rollformer customer quote

For Distributors

The Select Program “Increased operational efficiency through a reduction of stocked colors, as well as lowered the risk associated with slow moving items”

– Distributor customer quote

The AkzoNobel CERAM-A-STAR 1050 Select Standard Color Program is backed by a transferable warranty to end customers for additional peace of mind. See AkzoNobel Standard Limited Transferable Warranty or your account manager for details.
