

BANKING BUILT FOR CONTRACTORS

Truss is a financial toolset designed specifically for construction businesses. It offers a comprehensive range of banking and payment solutions, including business checking, receivables management, payables processing, accounting integrations, and Truss cards for expense management.

Truss gets construction. They understand how you move money and are there to help you move it forward.

- Digitized payments for 200+ construction companies
- Built to solve pain points for the construction industry
- Industry partnerships
- Completely free of charge

TRUSS KEEPS IT EASY

Everything in Truss was made to be easy. From moving money, to setting up cards and managing your account, it's refreshingly simple.

TRUSS MAKES IT PERSONAL

You get a dedicated Account Manager, always ready to answer questions or provide tailored support for your construction needs.

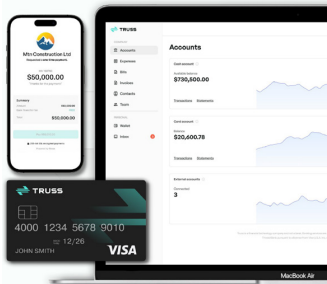

YOUR MONEY, INSURED

Truss customers enjoy enhanced FDIC insurance coverage of \$2.5 million provided through our banking partner Thread Bank; Member FDIC¹.

BUSINESS CHECKING

Provides a tailored banking solution with features like \$2.5M FDIC insurance provided through Thread Bank; Member FDIC¹, personalized account management, no account fees or minimums, and custom user permissions.

RECEIVABLES

Enables contractors to accept online payments for free, including ACH and card payments, offers on-site mobile check deposits, a custom-branded payment portal, and instant fund access.

PAYABLES

Facilitates online payments to subcontractors with features like free ACH payments, integrated approval workflows, and check printing.

ACCOUNTING INTEGRATION

Offers seamless integration with accounting systems like QuickBooks Online, connection via Plaid, and import options via CSV.

TRUSS CARDS

Provides the ability to issue unlimited cards to staff with individual spend limits and features like smart expense filtering and mobile receipt capture.

HOW TO GET SET UP

Work with Truss by creating a free account and completing a short verification process. Once approved, contractors can utilize the business checking account, manage receivables and payables through the platform, and issue cards for their team. Truss offers white-glove onboarding, personalized account management and in-house support to facilitate these processes.

¹Your deposits qualify for up to a maximum of \$2,500,000 in FDIC insurance coverage when placed at program banks in the Thread Bank deposit sweep program. Your deposits at each program bank become eligible for FDIC insurance up to \$250,000, inclusive of any other deposits you may already hold at Thread Bank in the same ownership capacity. You can access the terms and conditions of the sweep program at <https://go.thread.bank/sweepdisclosure> and a list of program banks at <https://go.thread.bank/programbanks>. Please contact customerservice@thread.bank with questions on the sweep program.

²Truss is a financial technology company, not a bank. Banking services provided by Thread Bank; Member FDIC. The Truss Visa® Card is issued by Thread Bank pursuant to a license from Visa U.S.A. Inc. and may be used everywhere Visa cards are accepted.
