

EVERMAX FR

POLYUREA COATING

**An impact resistant
long-term solution for
existing commercial roofs!**

- ▶ **Hail resistant**
- ▶ **Minimizes downtime for the building owner**
- ▶ **Saves money**
- ▶ **Reduces environmental impact**
- ▶ **Fire rated (EverMax FR)**

Benefits of
EVERMAX

Can be coated with
acrylic or silicone.
**Two-component
two drum kit**

EverMax is designed as a high-impact solution for areas that experience extreme weather events.

It is a sustainable and environmentally responsible system to save existing membranes from otherwise being removed and replaced. EverMax is a great long-term solution for existing, aged commercial roofs in harsh environments.
