

JOIN THE MATRIX ROOF & HOME FAMILY

Rofer Level 2

Are you ready to take the next step in your roofing career? Matrix Roof & Home, a OC Platinum Preferred & GAF Master Elite Contractor, is seeking skilled roofers who want to be part of something bigger—a team that feels like family, prioritizes safety above all else, and supports your growth every step of the way.

About Matrix Roof & Home

Founded in 2007 in Vancouver, WA, Matrix Roof & Home has grown from a vision into a trusted name in residential and commercial roofing. We're not just another roofing company—we're a **family** that puts our people first. Our success comes from our unwavering commitment to:

- **Safety-conscious practices that protect every team member**
- **Quality craftsmanship that exceeds industry standards**
- **Exceptional customer service on every project**
- **A supportive team environment where you're valued**

We specialize in roofing, gutters, windows, siding, and doors—and we're proud to be recognized as both **OC Platinum** and **GAF Master Elite Contractor**. Visit www.matrixroof.com to learn more.

What You'll Do

As a **Rofer Level 2**, you're more than just a skilled installer—you're a key member of our team who takes pride in quality work and helps create exceptional outcomes for our clients. You'll work closely with our Foreman and Operational Managers to ensure every project meets Matrix's high standards.

You'll represent the Matrix Roof & Home brand through your professionalism, attention to detail, and commitment to excellence. This is a **rewarding role** where you'll see the tangible results of your hard work and know that you're making a real difference for families and businesses in our community.

Your Key Responsibilities

- **Install 5-10 squares per day** (depending on pitch and detail work) with precision and care
- Perform advanced shingle installation in full compliance with manufacturer specifications
- Work with designer shingles and demonstrate knowledge of specialty materials
- Apply knowledge of **at least one additional roofing material** (TPO/Torch, Metal, Tile, or Shakes)
- Handle woodworking tasks including plywood replacement, fascia work, and siding repairs
- Remove old roofing materials and properly prepare roof decking for new installation
- Apply felt, starter strips, and shingles with expert technique
- Clean gutters and drains as part of complete project execution
- Ensure **all project deliverables are completed** before, during, and at the end of each project
- Contribute to Matrix's mission of achieving the highest possible results for our customers

What We're Looking For

Experience & Education:

- **6 months to 1 year of roofing, construction, or related field experience**
- High school diploma required; associate degree preferred
- Demonstrated proficiency in roofing systems, removal, installation, and cleaning

JOIN THE MATRIX ROOF & HOME FAMILY

Skills & Attributes:

- **Safety-conscious mindset** — you look out for yourself and your crew
- **Team-oriented attitude** — you understand that we succeed together
- **Detail-oriented** — quality matters in every nail, every shingle, every detail
- **Excellent communicator** — able to work in a fast-paced environment with varied tools and personalities
- **Coachable and eager to learn** — willingness to grow and contribute to the Matrix TEAM
- Professional demeanor that reflects well on our brand

Requirements:

- Reliable transportation to and from work
- Valid Social Security card and US ID (State Driver's License preferred)
